GOPEGASUS

YOUR TRAVEL PARTNER

ABOUT US

From business to leisure and government contracts, GoPegasus is committed to being your travel partner. Contact us today to book your next group, leisure, educational, corporate or government transportation service!

WHAT SETS US APART?

Transportation

From large 61 seat charter buses, perfect for yellow ribbon events, to smaller 29 seat minibuses, for more intimate outings, we have the perfect vehicle for your next transportation service around Orlando, Miami, and beyond!

Groups

We offer 24/7 logistical support, knowledgeable staff, and over 26 years of transportation and destination management experience. Making sure that your transportation services are seamless from beginning to end.

Technology

W.I.N.G.S is our custom made technology crafted with all our groups in mind allowing clients to track their transportation so that they can know exactly where our buses are throughout their entire trip. Clients may also request changes to their services all with the convenience of using their own smartphone devices.

GOPEGASUS AT A GLANCE

-  Over 1 million miles are traveled by GoPegasus yearly.
-  With over 30 vehicles, GoPegasus can transport up to 10k people each and every day.
-  GoPegasus has the largest fleet of 61-passenger buses in Florida.
-  GoPegasus is there for clients 24 hours a day, 7 days a week to ensure we can help them through every step of their journey.
