

We are more than a Transportation company

In addition to our renowned transportation service, our experience and knowledge also extends to hotels, attractions, restaurants, sports and events.

Nothing better than trusting your clients to an expert who understands their travel needs and how to improve their experience at the highest level.

More than transportation,
GoPegasus is your Travel Partner.

TRANSPORTATION

We have a largest fleet of 61-passenger buses, that's why we can transport your group with greater efficiency. Our multilingual staff provides quality service with punctuality and professionalism.

W.I.N.G.S. is our custom made technology crafted with our groups in mind, allowing clients to track their transportation so that they can know exactly where our buses are throughout their entire trip.

We have 61 passenger buses, Minibus for 29 passengers, Vans for 14 passengers and luxury SUVs.
